

Skylake Engraved Brick Order Form

A donation of \$100 to the **Skylake Scholarship Fund** will cover the following:

- One 4”X 8” red clay brick engraved with special black “ink” and installed in the outdoor brick plaza at the Skylake barbeque/picnic area. The engraving will permit up to 3 lines with up to 18 characters per line. Digits, spaces and punctuation marks count among the 18 characters permitted.
- We require full payment up front. This is a custom crafted product that cannot be returned. For that reason we cannot offer refunds.
- We do not plan to offer pictures or symbols on the bricks – just letters, numbers and normal punctuation marks.
- The font and font-size will be standardized on all Skylake memorial bricks. All letters will appear in upper case. Custom styles are not provided for.
- You specify the wording on the brick. Please fill in the blank blocks below on this form exactly as you want the engraved lines to appear. NOTE: each line will always be centered by the engraver.

Please print one letter (capital letters only), digit, space or punctuation per block.
